Anything to say about our last issue? Then this is the place to do it! Come on, Michelle's gagging for it!

Send me your letters to:
Men Only, 20 Lyon Road, Hersham,

Dear Michelle,

I've been a Men Only reader for years and didn't see why that should change just because I'd found myself a girlfriend. I must say though that I never imagined it would help bring me such incredible good luck! My favourite has always been the girl-on-girl sets, and it was while I was having a satisfying wank over the latest fantastic offering from Men Only that my new girlfriend walked in and caught me at it. I thought she'd be mad, but she just slipped off her panties from under her short skirt and, without saying a word, sat next to me. Taking my cock in her hand, she started to wank me while looking at the pictures!

"She said that the girl could lick and suck my cock..."

As she did this, she pulled her skirt up with her other hand and started frigging herself. I asked her if the pictures were turning her on and she said that they were, I couldn't believe my ears when she said that one of the girls looked like a girl she'd fucked about a year before she'd met me. I'd not known about this, and when she started licking the head of my cock and taking it into her mouth, I came immediately.

Later, after an excellent fuck, she asked me what my favourite fantasy was. I told her that my favourite was having sex with her while another beautiful woman watched us doing it. To my delight she wasn't offended, in fact, she told me that I should know she was a dirty bitch and often thought about another girl squeezing her tits and licking her pussy while I fucked her. Then she said something that made my dick rock hard again. She said that she believed in living out her fantasies as far as she could and suggested we go to Prague together one day to hire a prostitute to help us live ours out. Well, what could I say? The next day I got out the credit card and booked us a trip.

Soon after arriving, we went to a bar that we'd found on the internet. On the way, my girlfriend told me about what she was and wasn't prepared to do. She said that the girl could lick and suck my cock and balls as much as she wanted, but she wasn't happy with the idea of me fucking her using the whole of my dick. She said that I might be able to fuck her a bit, but only so long as she was holding on to my cock. I said this was fine by me – I could hardly believe my girlfriend was going to fuck another girl while I watched and fucked them both and I wasn't about to complain.

At the bar, there were gorgeous girls everywhere. It was terrific, I'd never seen anything like it back home. We sat and had a few drinks while my girlfriend scoped the place out and plucked up the courage to go and talk to someone.

"She wanted to use my cock as her fuck-toy..."

The girl she picked was a real stunner – tall with shoulder-length blond hair, big eyes and full lips, not to mention a pair of long shapely legs. I had to admit that my girlfriend had good taste, this girl looked like she was right off the pages of a quality porn mag such as your own and I had to pinch myself to remind myself that this was really happening. They talked for what seemed like ages, and

Dear Michelle,

Luscious, creamy, and intoxicating, is how I'd describe Bailey Rayne, and what a sex goddess in those heels! I just want to get down on the ground and worship her neat pink pussy. I cannot describe how rock hard my cock has been since I saw her in the latest issue of Men Only, I was afraid I'd break the flies on my jeans, it was that bad. Even my understanding wife was very taken with her, and we ended up having some hot fantasy role play, with my wife pretending to be Bailey, while I slipped my throbbing cock up her slot from behind. It was a wild night, and I'm hoping for a repeat very soon. So keep your fingers crossed for me!
Eddy, Cheshire.

Michelle says: What a woman you've got there Eddy, best hold on tight to her as she really looks after your needs.

BAILEY!

RYAN

Photos:Exposurezone

One of the things we love most about Ryan Ryans (other things include: her boobs, her doing all sorts of sex in films) are her amazing legs!

"Thanks, I think!" says the Cali sweetheart. "I like to get them out when it's sunny and get some good colour on them. But if you like 'em, I'll make sure I don't cover them up when I'm normally out and about, as I permanently live in jeans."

Please don't deprive Joe public of a glace at them, it's almost cruel hiding them in jeans.

"Okay, whatever you say!"

RYAN

...Continued from page 04

I had my fingers crossed the whole time. I could feel an erection growing just watching them talk so that by the time they came back and sat either side of me, my cock was already very hard. My girlfriend said she'd explained the deal to our new sex toy and that there were rooms upstairs, we could use for as long as we liked.

When we got into the room, my girlfriend told me to sit down on one of the chairs while the other girl leant back against a table. The dress she was wearing was so short that from my position, I could see the beginning of the naked curve of her sexy bottom. My girlfriend quickly slipped out of the dress she was wearing, revealing that she hadn't been wearing a stitch of underwear. The sight of her neatly trimmed bush in front of my face made my cock ache, and I told her so. "We'd better see about that then," she said, and getting on her knees, she pulled my dick out of my trousers and started to lick and suck at it, skillfully working it with her tongue and lips, holding onto my balls so that she could tell how close I was and pause when she thought I might be about to come.

While this was going on, our new friend had slipped off her panties and was rubbing her moistened clit with her fingers and moaning gently. Her pussy was totally shaven, and I pointed this out to my girlfriend. "You like it, don't you?" she said. "I want to see you fuck it just a little bit, so she knows what she's missing!" My girlfriend was clearly enjoying this, she wanted to use my cock as her fuck-toy, and I wasn't about to stop her.

She told me to get up on the table and told the other girl to position herself, so her pussy was directly over my dick. My girlfriend held the base of my dick firmly in one hand, and with the other, she pulled down gently on the whore's thigh until I could feel the tip of my cock entering a warm wet pussy. My girlfriend let her have about half of my dick, every now and again pulling it out so she could continue to lick and suck on it, she must have been getting pretty turned on by this because after a while she said that she wanted my slippery cock up her arse, while she had her pussy tongue-lashed by this gorgeous prossie. She moved the other girl to one side and climbed on to the table herself. Facing away from me, she slowly lowered herself until my cock was pressing against her anus. We'd fucked like this before, and my dick was so hard and slippery from the pussy juices of the other girl that it forced its way in without too much difficulty. My girlfriend leant back and started to impale herself on my cock in long smooth strokes while I supported her and pulled her bum cheeks apart. I could only see the beautiful whore's tight little bottom, but I could tell that she was tonguing my girlfriend's pussy while she held my dick in place with her hand. Very soon, my girlfriend moaned that she was coming and began to hump me furiously, taking the whole of my dick into her arse. "Fuck me, fuck me hard in the arse!" she cried, and I did, pumping what seemed like gallons of hot spunk deep into her pretty bottom.

And that was just the start of the most memorable trip I've ever had!
James, London.

"... pumping gallons of hot spunk into her pretty bottom."

AMBER!

Dear Michelle,

Crickey Michelle, are you trying to give a guy a heart attack, or something? I couldn't think of anything else all week after setting eyes on Amber in that alluring corset. Talk about a tentpole moment, it was hard to keep the little solider under wraps! What a treat Amber was, as well as Kayleigh Wanless; I've never fucked a woman with nipple piercings before, but it's on my bucket list. So hopefully I'll get there in the end.

The last couple of issues of Men Only have been cracking, so thank you for all the gorgeous woman!
Andrew, Wales.

Michelle says: A man with a bucket list! Well, if those are the circumstances, perhaps Kayleigh could be sweet-talked into ticking one-off for you.

Sienna Day doesn't just model -nope, she's an internet queen as well, with a stellar site where she gets even ruder. "That's where I have all the fun," the native hottie confesses. "It's a bonus for my members. The thing is, I love riding or sucking a big dick more than anything in the world, so I love to show people that. I'm not just turning up for another porn scene, or videoing myself to escape boredom like some girls do. I genuinely love what I do!"

Miss BEHAVIOUR

Real Life Adventures

I expected to be nothing but bored when I was arm-twisted into taking my little niece to her pony riding class one morning last summer. However, once I laid eyes on her riding instructor, I found myself nurturing a strong interest in horses, and began fantasising about taking some private lessons with Paul myself.

> “I bobbed my head on his phallus gleefully as his fingers found my nipples.”

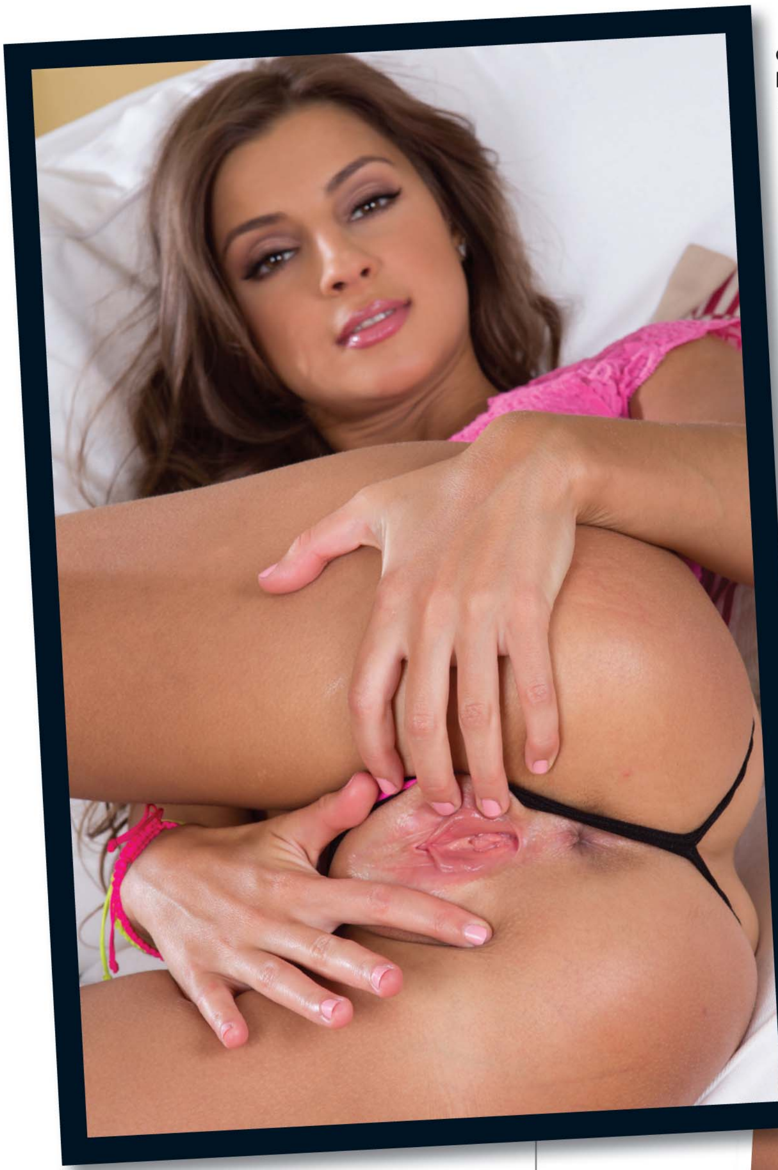
It may have had a lot to do with the way his jodhpurs looked like they had been sprayed onto his lower body, displaying his well-defined muscular buttocks and thighs to perfection, and leaving nothing to the imagination where his tackle was concerned.

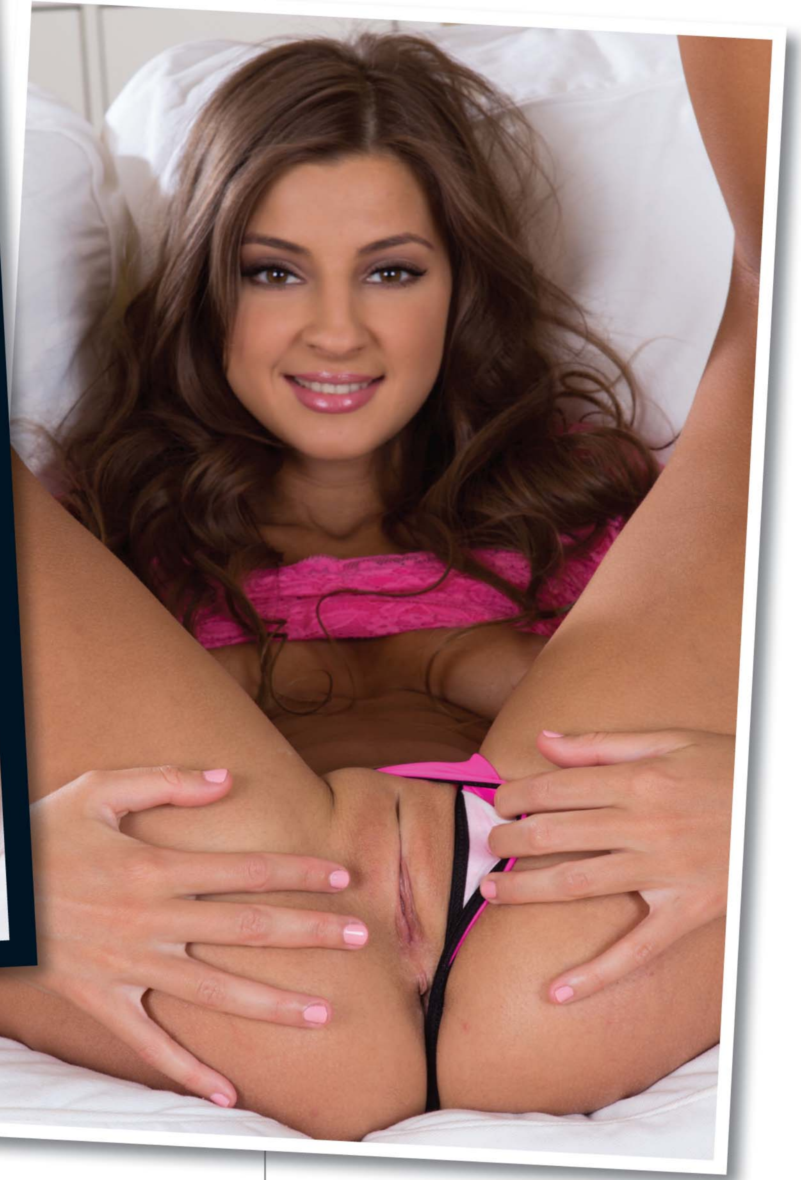
Then again, he had rugged good looks and a commanding presence, all of which made me weak at the knees. My animal instinct took over, and I found myself flirting shamefully with him once the lesson was over. Armed with his telephone number, I drove my niece home and then took a hot bath to relax me so I could whip up enough courage to phone him.

After a long luxurious soak, I made the call and found that his voice sounded as sexy on the phone as it had been face to face. The attraction between us was obvious, as the conversation soon became very sexual. Without realising, I was doing my hand slipped in under my bath-robe, and I began gently stroking my pussy. Paul's strong masculine voice reminded me of the way his jodhpurs had hugged his body, and as our conversation became increasingly more intimate, my finger slid across my clit with greater speed and intensity.

> “He left me to finger my slit as he struggled to remove his riding boots...”

I came hard and fast, gasping into the phone as my orgasm engulfed me, and Paul, who seemed to be enjoying the same self-indulgence as I was, let out a sharp grunt of pleasure as he also achieved climax. I withdrew my finger from my streaming pussy, and tried to catch my breath while listening to Paul's sated sigh at the other end of the line. I sucked the pussy juice from my fingers as Paul told me he had a class

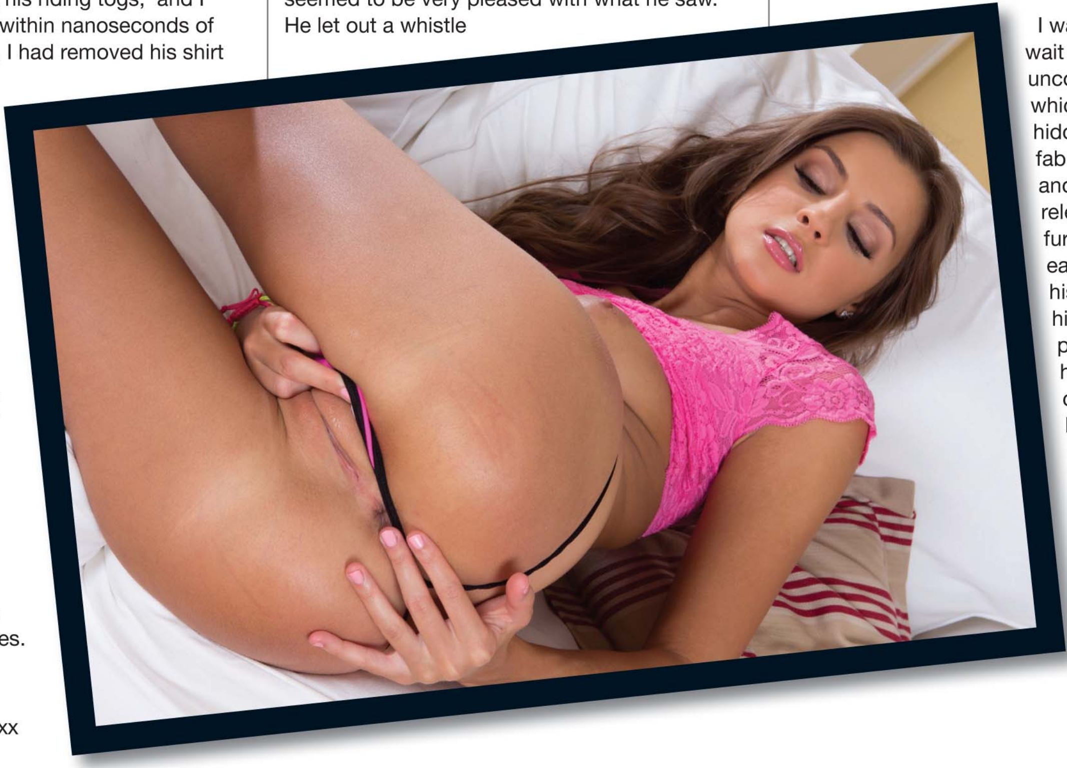




that early evening, but if I was interested he could visit me afterwards and give me a "private lesson"!

Giggling, I gave him my address, and told him to be sure to wear his jodhpurs and boots as they totally tripped my trigger. He arrived as promised, still wearing his riding togs, and I was so turned on that within nanoseconds of reaching the bedroom, I had removed his shirt and was attempting to undo his riding breeches. His tall body loomed over me, and he set me back a little so that he could look me over. I am a petite blonde, with large boobs, a narrow waist and softly curving hips and Paul seemed to be very pleased with what he saw. He let out a whistle of approval as he drank in the tiny black chiffon baby-doll negligee I had chosen to wear over a minuscule pair of matching lace panties, some hold-up stockings and extremely high heels.

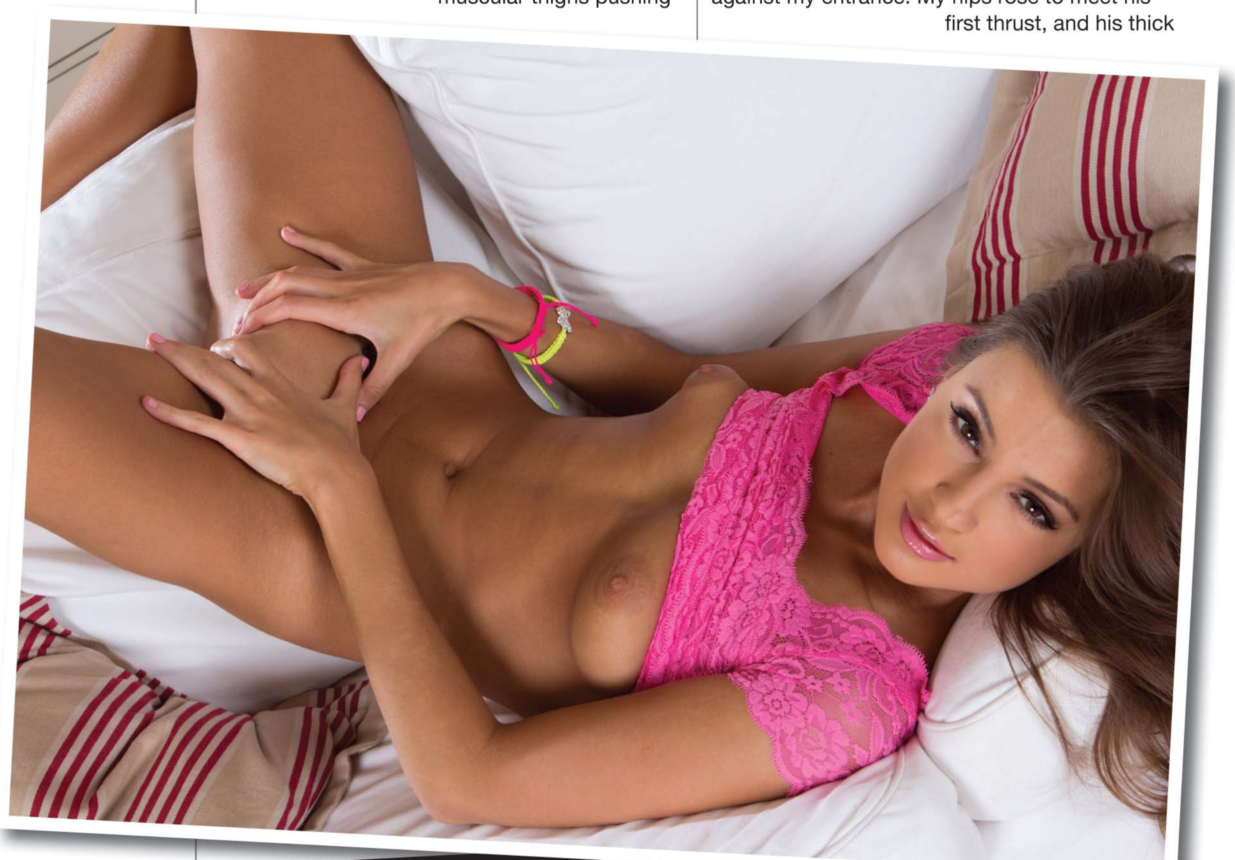
> "Parting my pussy lips he began licking nas sucking my pussy nectar as it welled up inside my throbbing slit."



I was not going to wait any longer before uncovering the prize which was barely hidden by the stretchy fabric of his jodhpurs, and I set about releasing it without further ado. As I eased them down his hips along with his boxers, I was pleased to see that his whopping big cock was every bit as magnificent as the bulge in his jodhpurs had promised. Taking it almost reverently in my hands, I began to stroke it as he caressed my boobs through my negligee.

He sat down on the side of the bed, and I knelt on the carpet between his powerful thighs and sucked his cock. The feel of his leather riding-boots on either side of me felt extra exciting, and I bobbed my head on his phallus gleefully as his fingers found my nipples. My pussy was dripping as my pleasure intensified and I sucked him deeply, making him moan as my tongue worked its magic on his fleshy cock-head.

> “I was pleased to see that his whopping big cock was every bit as magnificent as the bulge in his jodhpurs.”



With a groan, he jerked me away from his cock, apologising as he did so as he was afraid he would come too soon and ruin our pleasure. Lifting me to the bed, he slowly raised the negligee over my head, and, laying me back, peeled off my panties. He left me to finger my slit as he struggled to remove his riding boots and breeches, and once he had stripped completely, my pussy was ready for him, slick with my sensual libations.

Parting my pussy lips, he began licking and sucking my pussy nectar as it welled up inside my throbbing pink slit. My excitement built each time his tongue flicked over my clit until I felt my pussy contract, and I started to come. Lifting his head, he replaced his tongue with his fingers and began frigging me vigorously so that one orgasm seemed to crash into the next.

I had never experienced anything as sexually overwhelming as that before and as his fingers withdrew, my pussy continued to convulse as the sensations of pleasure slowly ebbed. I was on a total high as Paul moved on top of me, his muscular thighs pushing my soft ones apart as his thick cock-head pressed against my pussy.

He gently stroked my nipples, teasing and tweaking them to hardness as his cock pushed against my entrance. My hips rose to meet his first thrust, and his thick cock impaled my pussy as he drove it deep inside me. My vaginal muscles gripped his thick shaft as he worked it even deeper, each slightly twisting thrust creating the most delightful friction as his muscles drove his shafts balls-deep inside me.

Paul fucked me faster, his momentum growing as he pushed me ever closer to orgasm. My back arched with the intensity of my excitement as he began the final assault, ramming his cock inside me and bulldozing me into the most glorious orgasm ever as he emptied his load inside my pussy, basting me with his come.

He always wears his jodhpurs when he comes over now, and every time is just as intense as that first fuck we had. Who’d think riding lessons could be such fun?

Ally, Suffolk.

> “I withdrew my finger from my streaming pussy, and tried to catch my breath.”

Eagle-eyed readers will have spotted that Jessica is a firm believer in the total shave. No landing strip for her.

"That itches too much," she giggles. "I only get the smooth sensations on my pussy that I love if I shave it totally bare. It amplifies the sensations on my clit, and I just can't stop playing with it when it's like this."

We get that.

"I thought you might. Men love it like this. They spend ages licking it and looking at it. Which is the desired effect!"

CRUZ CONTROL

Tell us a bit about Lindsey Cruz.
I grew up in Santa Clara, CA and Portland, OR. Then it was to New York and Europe where I studied art. I started in the industry in Europe.

How long did you shoot in Europe for?
While I was in college, I was shooting for an amateur, natural porn company. I only did girl/girl for them for about a year. I used a different name for them too. I shot a lot for Abby Winters. Then, in May of 2018, I started doing more commercial porn.

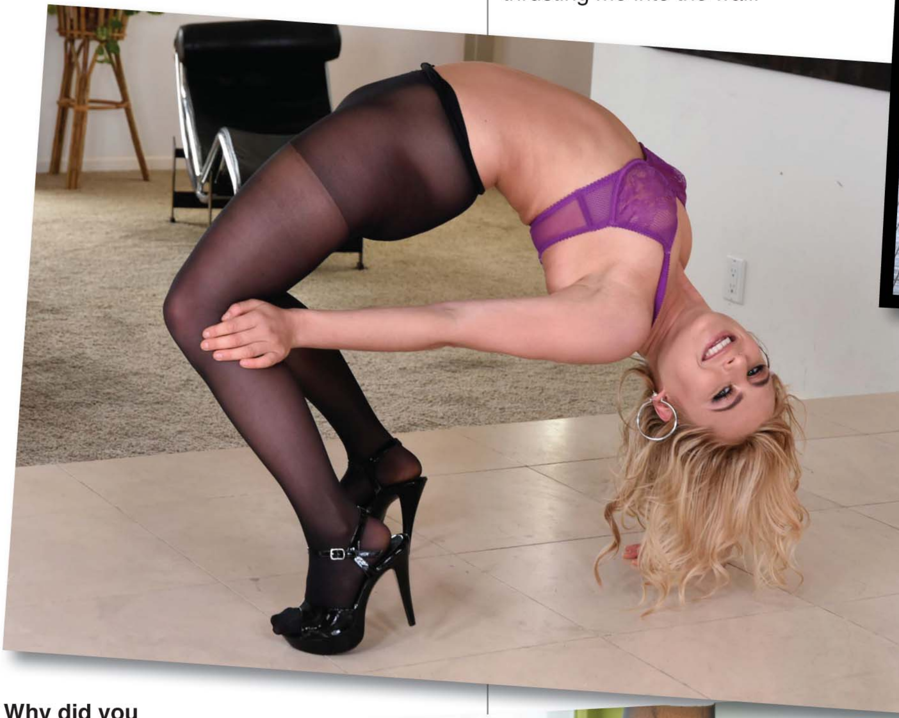
How did you lose your virginity?
It was in the forest. It was pretty cool. I squirted for the first time too! It was just a double win for me.

Did that open up the floodgates? Were you promiscuous after that?
I've always really loved sex. So, yes, I guess I've always been promiscuous. Now, I just love shooting. (laughs)

Were you with girls before porn?
Before being penetrated by guys, I experimented with female friends.

What's your favourite position?
I really like missionary and it really does it for me. Missionary or me facing the wall with him behind me thrusting me into the wall.

EVILANGEL.C



Why did you decide to join the adult industry?
I love sex and I was always interested in sexuality. It just felt like a natural thing for me to do. My first scene was a solo and I just loved it!

How was that first scene? Were you nervous? Intimidated? Did the cameras turn you on?
The cameras turned me on. It was definitely that which got me. I had to talk really dirty to the camera. I liked that interaction with the viewers.

Have you ever been in an inappropriate sexual relationship?
I've hooked up with professors before.

What do you like sexually? What gets Lindsey wet?
I really like having my clit bitten or nibbled. And I really like being tied up. I like bondage. I fantasize a lot about different situations. It's very mental for me. I fantasize about different power exchanges.

So you're more submissive than dominant?
I can be, yes. It depends on the person and our chemistry. In general, I think I'm more submissive but sometimes I like being dominant.

You say you fantasized about it, have you ever done bondage in your real life?
Yes, I've been tied up.

How often do you masturbate?
I actually just got a new magic wand

so I do it a lot! 5 times a day, maybe?

Did you watch porn before you got into the industry?
Not at all, no. I didn't watch any porn.

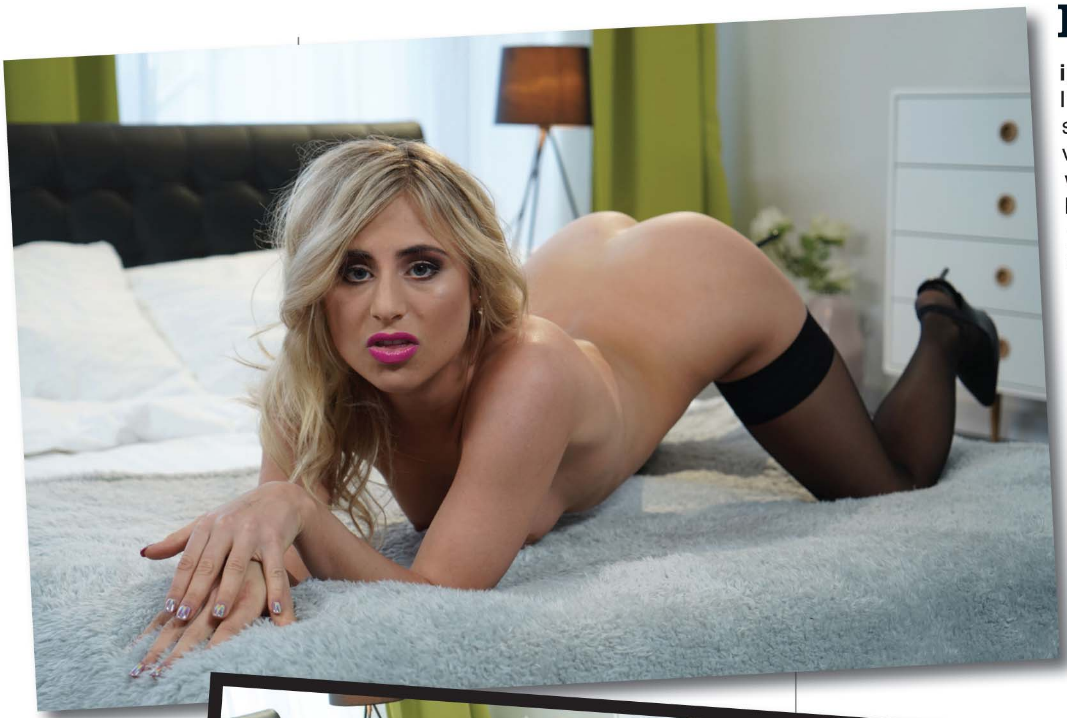
When a guy pops, where do you prefer it?
I LOVE creampies. It just feels so good with the sperm shooting up me. It gets me off.

Are you a swallower?
Yes, I like body fluids a lot.

You've done anal for Tushy, Woodman and Evil Angel. Is anal something you enjoy in your personal life?
I do enjoy anal. I actually bought a lot of new metal plugs and toys the other day.

You told us about the bondage fantasies, do you have any other fantasies you would like to live out on camera?
Oh yeah. I did a shoot for a company where I wrote out a fantasy involving demonic possession. I had them grab me, tie me up, torture me and drain me.

What would you be doing if you weren't in the adult industry?
I'd probably be doing something with visual art. Something where I could still be exploring my passions only in a different way. Like painting. Or psychology. I've always wanted to study psychology. I'm happy where I am right now.



What are you like off-camera? When you have free time, what do you do for fun?
I go to the gym and do yoga. I also do cryoing where you get frozen. It's like this intense shock to your body. I also like to write and paint.

Do you have any favourite movies?
I've always loved The Sound of Music. I'm a Judy Garland fan.

What's the kinkiest thing you've ever done off-camera?
I've had sex on airplanes before. Someone was sitting next to us and I gave my partner head on the airplane. (I also really get off when I sneeze. Lately, I have been making myself sneeze using a Hitachi on my cheek bones.)

You gave him head right in the seat?
Yes, I was wearing his jacket.

And how can the fans follow you on social media?
On Twitter, I'm @LindseyCruzxxx. Instagram is @IreallylikeLindsey. Snapchat is IlikeLindsey.

When Lucy Alexandra arrives, she is chatting away happily on the phone.

"Sorry guys, it was a phone call I just couldn't ignore."

We asked Lucy if she's always so animated on the phone, and the horny-minded Brit confessed to indulging in a bit of phone sex from time to time.

"If my boyfriend is away, I make him tell me what he'd do to me if he was with me, but he's not very good at it," she says. "Whereas I've got a filthy imagination so I can talk dirty for hours. And I say things you wouldn't think I knew about. And guess what? I mean every single word!"

What an outfit, fit for a queen, but Dani Daniels has a very different story to tell after a lucky escape recently. "I started seeing a man pretty seriously," she tells us, "and I think I was falling in love with him. Then, for my birthday, he gives me a voucher for plastic surgery and tells me he's booked me in for a boob job. I can't believe he was actually shocked when I told him to fuck off!"

You did right. There's nothing wrong with your suckable, lickable rack.

"Thanks, I've had no complaints before. You know that thing when you think of the perfect response, but it's too late. I should have got him a voucher for penile surgery! Still, dumping him got the message through!"

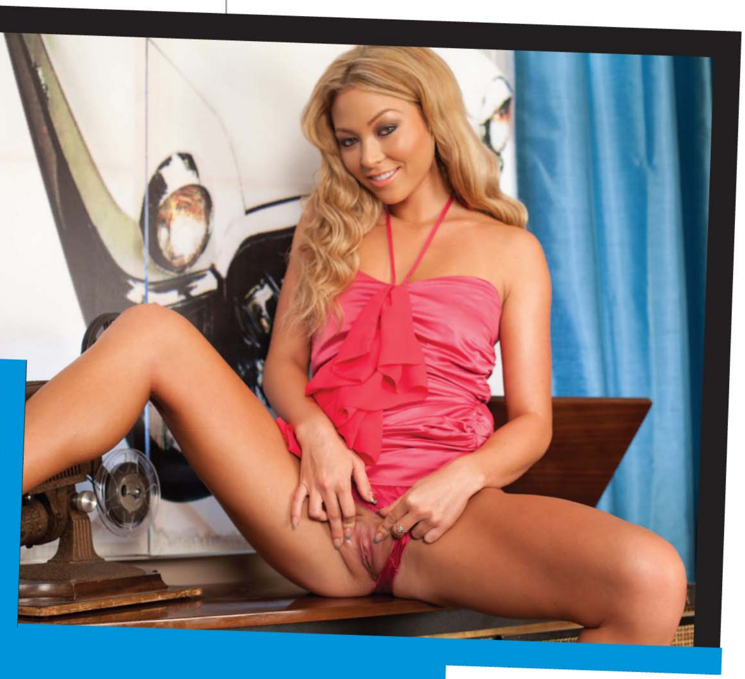
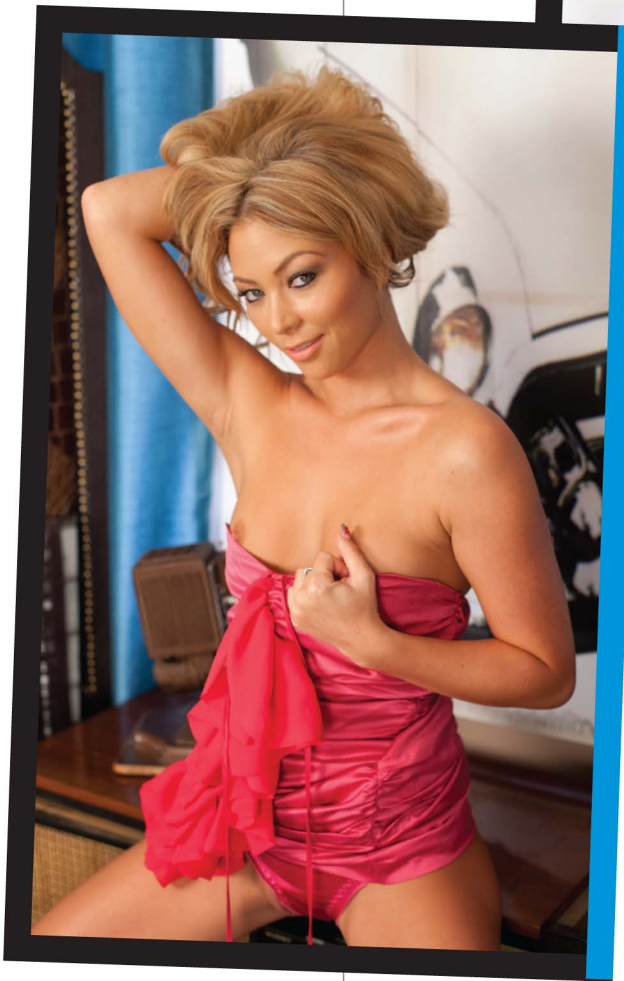
Men Only, Paul Raymond Publications, 20 Lyon Road, Hersham, Surrey KT12 3PU (or email menonly@paulraymond.com)

DEAR MEN ONLY,
Last Friday, much like any other week, the lads and I met up in our local for a few bevvies and a spot of bird-watching – which usually involves checking out any new talent, as between us we've had most of the locals! We were all surprised to find Mitch, the landlord, had hired a new barmaid for us to ogle over. She was an attractive brunette with a shapely figure and fabulous legs, kitted out in a revealing low-cut blouse and a short, tight black skirt. She looked lush in her uniform, but there was something else that attracted me to her.

At first, I couldn't place it, and I found myself watching her closely as she picked up the empties and wiping the tables. One of my mates called her over to order a round of drinks, and as she bent low over our table to collect our glasses, I couldn't help focussing on her firm tits, which were almost falling out of her top.





As she glanced across the table to make sure she hadn't missed any empties, she adjusted her glasses, and our eyes made contact. It was only then that I realised what it was that was getting me going – it had something to do with her specs. They made her look like a 'nice' girl, contrasting brilliantly with her slutty outfit. I could feel my dick harden as I looked into her eyes, and her glasses slipped down her nose a fraction. When she looked over her frames at me and smiled, my heart started pounding. I simply had to ravish her – and soon.

I brazenly asked her what time she finished work and if she wanted a lift home. To my amazement, she accepted. For the rest of the evening, I contented myself with watching her moving around the bar, bending low over the tables as she worked, flaunting her delicious figure and occasionally glancing at me over the frames of her specs.

It was time for last orders and, as the lads began to leave, she asked if I would wait for her in the car park. Five minutes later she breezed out of the pub, hips swivelling, every sinew in her calves defined by shiny black shoes with precariously high heels.

She slid into the car, introducing herself as Pam, but when I made to turn the key in the ignition, she asked what my hurry was. Smiling seductively, she leaned across, and immediately her agile digits began to unfasten my flies. Suddenly, one of her hands was inside my boxers pulling out my dick, which was now as stiff as a poker! She peeped up impishly, her eyes sparkling behind her spectacle lenses. The anticipation of her soft lips enveloping my prick brought a tight band of excitement to my groin, and as she squeezed my agitated prong, it was all I could do to keep from exploding right then.

The instant her mouth encircled my chopper, I knew that she was good. Her lips teased my sensitive helmet while her fingers slid under my nads. She began massaging the deep creases of my crotch, and, ignoring my impatient member, she nosed between my balls, licking them one by one. My knob quivered against her forehead, and when she held my prick to guide it into her warm wet mouth, she thrust me straight into the realms of pure ecstasy.

My cock swelled to bursting as she rolled it languidly between moist lips then drew her teeth back slowly along its length. My rod stood up like a gorilla's thumb, and I could feel the blood coursing through every vein. Gently she drew my todger deep into her throat until her nose nestled in my groin, and I could feel the edges of her spectacle frames pushing into my flesh.

I told her I was going to come soon, to which she responded by me furiously into her face, smothering my helmet with tiny, frantic licks. Looking deep into my eyes with a penetrating gaze, she manipulated my tool in her delicate hand, and waves of sheer unadulterated pleasure overwhelmed me. My hot spunk hit her upturned face, splashing her lenses with

> "...she nosed between my balls, licking them one by one."

globules of thick white cream as she peered at me. This was one seriously hot chick.

Ever the gentleman, I took off my shirt, gave it to her to clean her face with, and asked where she lived. It was a fair distance, so I suggested we stop off at my place for coffee. She agreed, plainly knowing just what I meant, and I drove home with a keen sense of anticipation. When we got there, I was surprised at how quickly she made herself at home, dropping her knickers virtually as soon as we were inside the door. I felt between her legs, desperate to touch her pussy that I knew would be sopping wet, as she undid my fly.

I took her in my arms and kissed her deeply, pushing my hard erection against her. Then, on impulse, I ran my tongue sensuously around her frames. That must have done something for her, as she kicked her pants from around her ankles and parted her legs. I positioned myself in front of her pussy before impaling my tool to the hilt, making her squeal. Holding myself inside her snatch, I told her to wrap her legs around my waist, and then I carried her to my bed.

To my surprise, Pam immediately rolled over on top of me to take the initiative. Sitting astride me, she forced herself down hard onto my upright weapon. My hands moved to her breasts, cupping those delightful orbs and teasing her flint hard nipples until my caresses and carefully spaced thrusts brought her to the brink of climax. She exploded into orgasm, her hair tumbling over her glasses as she rode me furiously. The sheer abandonment of her body movements took me over the edge almost simultaneously, so that I spurted a stream of warm seed deep inside her.

As we lay entwined in a state of pleasurable exhaustion, both of us sinking towards sleep, Pam removed her glasses to lay them on the bedside table. I arrested her hand, and tenderly returned her glasses to the bridge of her nose – a gesture that was met by a comprehending smile.

I'm meeting her again after work tomorrow, but somehow I don't think you need to wish me good luck!

Dylan, Aylsham.

DEAR MEN ONLY, As great fans of your magazine, my boyfriend and I have a tale that I'd like to share with your readers. I work on the reception of a large insurance company, and since a lot of guys come in and out of the building every day, I get to chat and even flirt with them.

One that really took my fancy was a guy called Jason. I'm only 22, and he's a good 15 years older than me, but despite the age gap, there was something about him that I really liked. I didn't think much would come of our constant flirting as he was married, but everything seemed to fall into place when his marriage hit the rocks.

He took a few days off work when his wife left him, and there happened to be some important papers that needed signing. The boss was going to get a courier to drop them off with Jason, but I stepped in and suggested I take them round to his house since he only lived around the corner from me.

I made sure I looked my best when I called by his house. I think I've got a good body with a 34C-24-34 figure, so I complimented it with black high heels, my best suit with my sexiest black underwear underneath.

> "My hot spunk hit her upturned face, splashing her lenses..."

Jason was expecting me and let me in. We made small talk about work, and I didn't think it was going anywhere because he seemed a bit glum, so I bit the bullet…

"I could cheer you up if you like," I told him.

I moved forward and put one hand on his trousers, grabbing at his cock. He looked a little shocked, but before he could say anything, I was kissing him, pushing my tongue down his throat.

Wanting to please him, I was going to do anything he wanted. I dropped to my knees in front of him, unbuckled his belt and pulled his trousers to the floor. His cock was already rock hard as I pulled it from his boxers. I set about sucking it; I licked the sides of his shaft and sucked on his balls. I sunk my face down to take as much as I could in my mouth. He tasted wonderful against the roof of my mouth, as I swirled my tongue around his shaft, licking the drops of pre-come from his jap's eye.

Jason was by now fondling my tits getting my nips nice and hard. I could feel my cunt starting to ooze sweet juices, and I wanted him to fuck me. His cock twitched once, and a small streak of come shot into my mouth. I gripped his cock hard to stop him from coming, much as I'd have been happy to swallow the lot.

Standing up, I kissed him before demanding, "fuck me, please!"

I slipped out of my skirt and panties, releasing my tits from my bra so that I was now stood there in only my high heels. It was too much for Jason as he was out of his clothes in a second. I got down on to all fours, right there in the hallway. Looking over my shoulder at Jason, I asked him what he was waiting for.

He was soon behind me, stroking his cock along the entrance to my sopping wet hole. I looked back and told him to stop teasing me and fuck me, and with that, he sank his cock deep into me, making me sigh with delight. Then he pulled out and started building up a nice rhythm pumping my pussy.

It felt every bit as good as I imagined it would. I felt so dirty, but I didn't care because I wanted him to want me. I felt him push a finger into my brown hole and bit my lips as he probed my rear.

"Give it to me, fuck my bum," I pleaded.

He pulled his cock out of my pussy and placed it at my sphincter. His cock was rock hard, and it felt enormous as he squeezed it into my arse. I took several deep breaths as he buried his cock deep inside me. I reached under myself and started to finger and play with my pussy, my whole body buzzing.

"I'm going to come!" he called just before a great gush of pleasure washed over my body, and I came on my hand. To his surprise, I pulled away from his cock and span around to replace my arsehole with my mouth. I sucked him and opened my mouth just in time to have him unload. I gulped it all down because I didn't want to waste a single drop, much to his satisfaction.

This first fuck was just what he needed to get over his marriage and just what I needed to ensure my sexual gratification. I hope you print this letter because it will make our relationship in the bedroom a great one.

Cassie, Stoke.

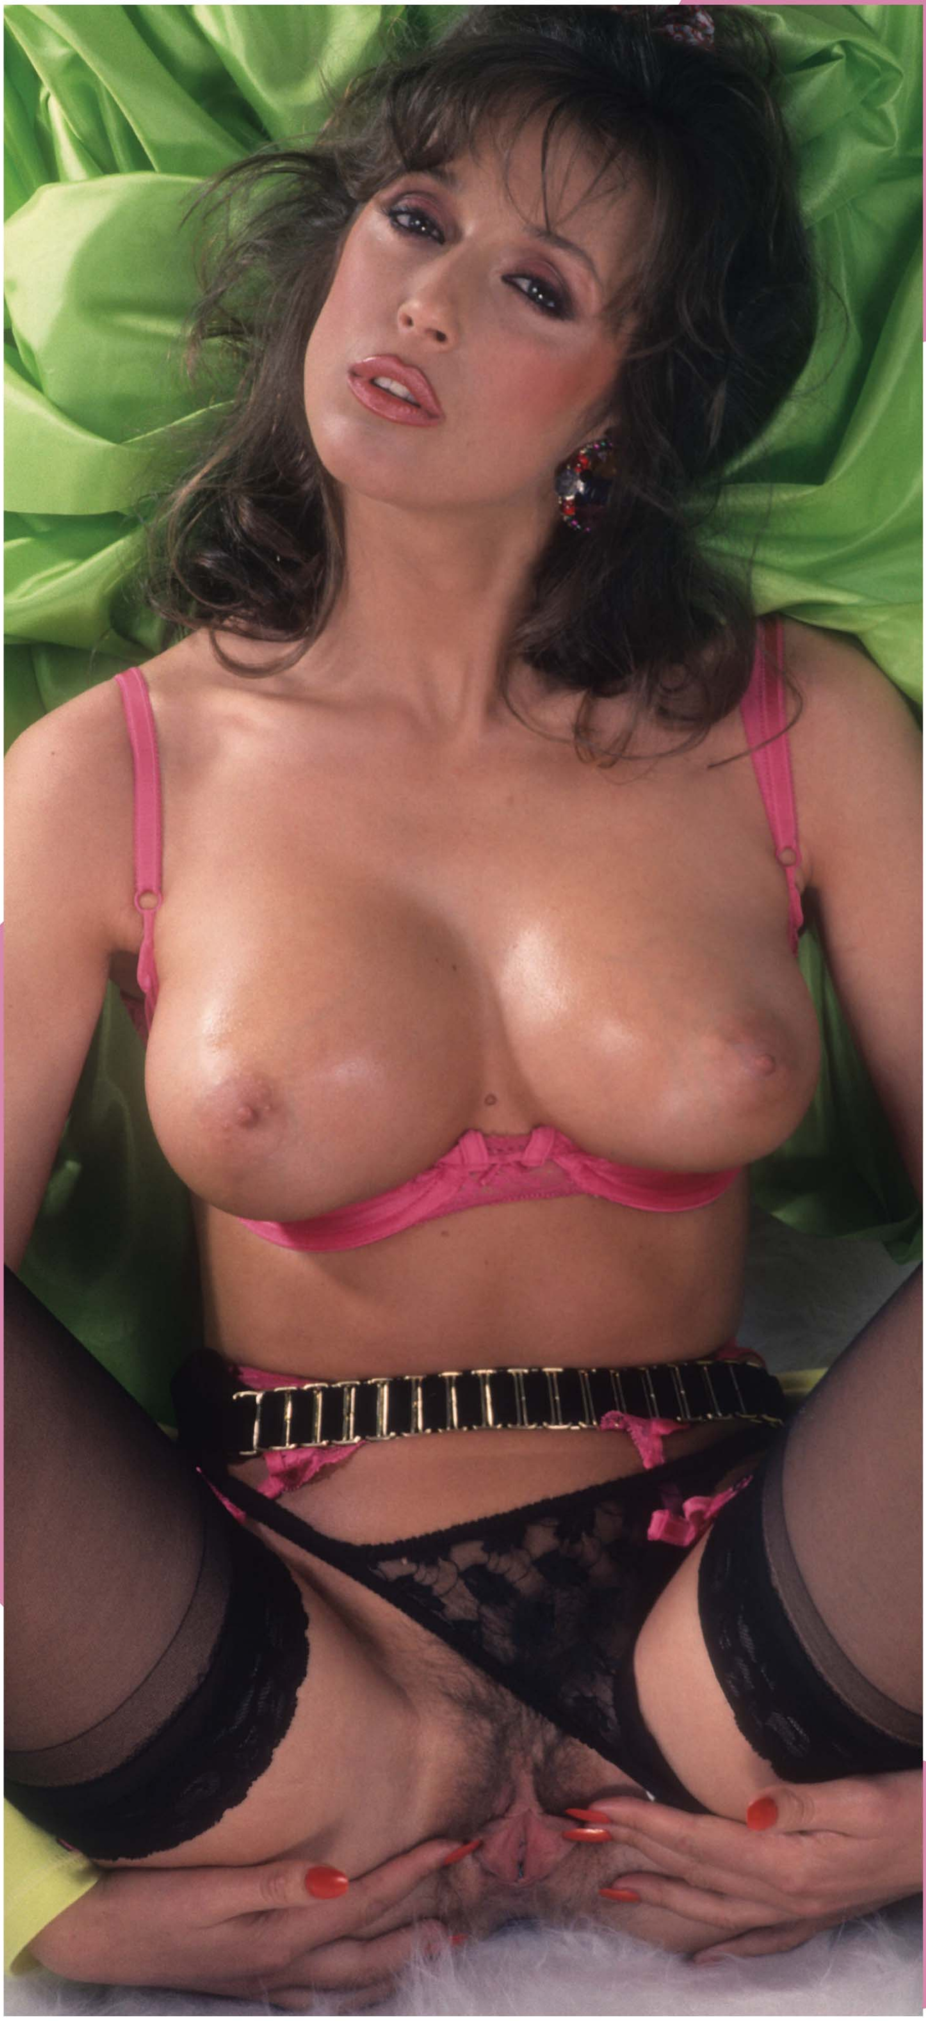
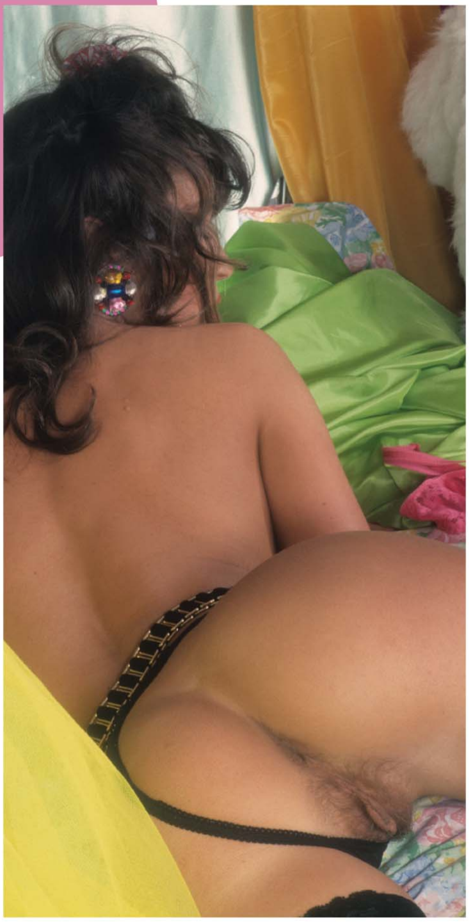
JULIA

VINTAGE Men Only





These trouser-tenting pics of the wondrous Julia Guilda first saw the light of day in *Men Only* 55.10, getting on for 30 years ago, and it's not hard to see why she was such a favourite among our readers, is it? A timeless classic in our book, here's to Julia!

REVIEWS

Fancy taking a turn in a top hat? It's rather a British affair this month as A.I infiltrates the police and we get down with Dickens.

The Personal History Of David Copperfield

DVD £9.99
Blu-Ray £14.99

8/10

Amando Iannucci (The Death of Stalin) can reek comic havoc on the horrors of history, with swipe of humor rolling through the depravitives of human capabilities. Now, here in the Personal History of David Copperfield we are dazzled with a vision of modernity, vibrancy and playfulness; yet still with all the essence of Dickens.
We are met with Copperfield on stage, against a painted backdrop, that falls away but is revisited with changing scenecs, in a visually charged story telling . Copperfield nervously begins to recite the occasion of his birth, as he steps through the painted backdrop into East Anglia, and we are lead down the heavy road of this young mans journey. Joining him on his travels is an extraordinary range of characters, where Iannucci's choice of actor has broadened the scope from previous adaptaions, with Benidict Wong as Mr Wickfield and Rosalind Eleazar as his daughter Agnes, the object of Copperfield's true affrections. Tilda Swinton is pitch prefect as Bettsy Trottwood and Hugh Laurie as Mr Dick, with Ben Whishaw's Uriah Heep, taking top prize with the perfect balance of subservince and contempt with a pudding bowl haircut.
Magnificent from start to finish. A hats off production.

SAVE ME TOO

Save Me Too

DVD £24.99

The second series of this gripping drama, still has its lead character in suffering. As the world carries on around him Nelly (Lennie James) can't understandably get back into the swing of it after his estranged daughter Jodie went missing in series one. The shock of Jody's disapperence has now subsided to make way for a daily routine of not knowing. Intuitively and beautifully written and created by James, this series captures the darkness of the unknown, while providing a thrilling journey of a father who won't give up trying to find his daughter. An all-star cast feature with Stephen Graham, Kerry Godliman, Suranne Jones and Lesley Manville, all proving their weight and mastery, in a tgripping series.

DVD £19.99

It looks like A.I has even infiltrated the Police Force, with this brand new cop comedy from writer Daniel Peak and director Al Campbell. Following the death of John Major (Daniel Mays) in action, DI Roy Carver (Stephen Graham) does his best to get on with his life, and Major's missus (Anna Maxwell-Martin). However, in a twist of technological God playing, Major is resurrected via artificial intelligence, the downside being that like a dodgy computer he can be switched off, if he doesn't work correctly. A straightforward double-act comedy series with Graham and May coming up trumps. There are a couple of missed beats in the opening episode, but the engery of the series will have you coming back for more.

MARIE & CAROLINE

MARIE & CAROLINE

Caroline and Marie are two of reigning queens in the adult world, and so this isn't the first time they've gone twat on twat.

"Oh, god, I can't remember how many times we've shot together," laughs Marie. "On film, at parties, just for fun, it's dozens of times. But I never get tired of it either."

"Same for me," agrees Caroline. "It's great when you can work with someone who knows exactly what you like and what gets you off. I don't have to redirect her tongue or fingers because they're always perfectly on point!"

The Joy of Anal Pleasure

4/5

Cast: Tina Kay, Aislin, Luna Corazon, Shrima Malati, Cayla Lions, Sade Rose, Sam Bentley, Stefany.

THE JOY OF
Anal PLEASURE
R18

Synopsis: "Come join these beautiful ladies as they show you all the joys of anal pleasure. With the help of strap-ons and dildos, these girls are about to immersed in the most sensual anal play that has them continually begging for more. Nothing compares to the sensations of pure anal pleasure."

Verdict: Hey, an anal sex flick that doesn't feature any blokes? Whatever next, eh? Women presenting Top Gear?! Anyway, this flick would have us believe that there exists a certain type of flamper that loves nothing more than duffing another one up the jacksie with a strap-on, and who knows, perhaps that's true. What is true is that you'll enjoy watching them doing it, especially as this includes a pretty eye-pleasing selection of sploshers, starting with some poolside fun for Cayla and Sade, who it turns out is quite a smooth operator herself, frigging her bum with a yellow vibe while Cayla tucks into her snizz. There's even better to come in the next scene, with Luna donning a strap-on and giving Shrima a backdoor workout before getting a little fingering for her troubles.

Tina's innocently frying a couple of eggs when Aislin shimmies over with her dong already in place, which was never likely to go to waste, although it's quite a tender scene from the usually frantic Tina. Stefany's in the riding seat for the last scene, as Sam wields a pink strap-on, although the Brit gets a little anal action herself before the end.

BABES ON WHEELS
4K

Synopsis: "Alexis Crystal is a journalist with her entire career on the line, and a streak of bad articles has left her needing a big story to stop being fired. While searching the city, she finds it in the most unlikely of places… the roar of a motorcycle cruising by gives her the perfect idea, to join a biker gang. Danger, excitement, thrills, it surely has it all as Alexis embarks on the ride of a lifetime. The keys to her adventure lie with Sofie Goldfinger & Jesus Reyes, who she must convince with a wild threesome to let her join. Once in she will meet the fiery Anna Polina, a biker chick that demands DP from her husband, and the stunning Natalie Starr, a lone rider that wants back in and will fuck her way to get there. But that's not all, this gang has so much more to offer that Alexis won't want to go back, so fire up your engine and prepare to go full throttle in Private Gold, Babes on Wheels."

Verdict: I was a bit dubious about this one when I first heard the title? Could, I wondered, I be about to review my first wheelchair fetish porn movie? I mean horses for courses and all that, but that's a little niche, even for me. But no – wheelchairs don't feature at all in this flick, which is, rather, themed around a gang of motorcyclists and their carnal proclivities! Things kick off with an interracial threesome in which she's joined by Sofi on her quest and during which Alexis more than proves she's a bad girl by taking a solid anal drilling. Meanwhile, Anna provides a good distraction with an eye-pleasing DP and Natalia takes a backdoor reaming in a workshop. All good, solid scenes that don't leave you feeling short-changed, these.

Drapped all over the sofa is Charlie Monaco, clearly having a great time, judging by the smile on her face!

"Oh, you know me, when the cameras out I just can't help showing off. I'm getting horny as hell right now, can you see my pink glistering?"

We most certainly can, and I guess that now our cue to get horny as hell too.
